

# Stay Safe

## Attention: Flag Warning System

There are dangerous currents at this beach,  
and fatalities have occurred.

**Green = Go.**

But stay aware of  
changing conditions.

**Yellow = Caution.**

Watch for dangerous  
currents and high waves.

**Red = Stop.**

**Stay on the beach  
and out of the water.**

- A **red** flag means that there is a high risk of drowning.
- Even an Olympic swimmer couldn't win a race with a dangerous current.
