

FELLOWSHIP OPPORTUNITIES

Great Lakes, Coastal and Marine Science and Policy

Michigan Sea Grant is recruiting applicants for three fellowship programs! The fellowships offer terrific career-building and networking opportunities, real-world training, salary and benefits, and a chance to explore careers where science and policy meet.

Graduate students with a wide range of backgrounds (i.e., science, policy, law) and a strong interest in Great Lakes, coastal or marine issues are encouraged to apply. Programs require a full-time commitment and most, but not all, fellows participate after graduating.

"I've truly enjoyed being a Knauss Fellow. The network of fellows here in the D.C. area is extensive, strong and well recognized by environmental professionals throughout the nation. The experience you gain and the people you meet are invaluable."

– 2011 Fellow

KNAUSS MARINE POLICY FELLOWSHIP

The Knauss Fellowship program matches graduate students with "hosts" such as congressional offices, the National Marine Fisheries Service or U.S. Fish and Wildlife Service. Fellows work on a range of policy and management projects related to ocean, coastal and Great Lakes resources.

Length: 1 year, begins February 2013

Location: Washington, D.C.

Apply by: February 17, 2012

NOAA COASTAL MANAGEMENT FELLOWSHIP

This program places recent graduate students in state coastal management programs. Fellows spend two years working on projects related to climate change, shoreline protection or spatial planning.

Length: 2 years, begins August 2012

Location: Delaware, California, Washington, Maryland, Massachusetts or Mariana Islands

Apply by: January 27, 2012

APPLY NOW FOR 2012 & 2013

GREAT LAKES COMMISSION- SEA GRANT FELLOWSHIP

This fellowship focuses on environmental quality and sustainable economic development in the Great Lakes region. Past fellows have worked on policy analysis and education projects related to alternative energy, invasive species and water management.

Length: 1 year, begins June 2012

Location: Great Lakes Commission, Ann Arbor, MI

Apply by: January 31, 2012
