Spring fishery workshops offer current research and information related to the status of the Lake Huron fishery

Michigan Sea Grant and Michigan State University Extension, in partnership with the Department of Natural Resources Fisheries Division, USGS Great Lakes Science Center, and local fishery organizations will be hosting three evening regional workshops across Lake Huron’s coastline.

Workshops are open to the public, and will provide valuable information for anglers, charter captains, resource professionals, and other community members interested in attending. Workshops will include information and status updates on fish populations and angler catch data, resurgence of native species such as Lake Huron walleye, forage fish surveys and results from the Lake Huron predator diet study, updates of fisheries management activities, among other Lake Huron related topics of local interest.

You are invited to participate!

Three evening Lake Huron Regional Fishery Workshops (approx. 3 hours each) are open to the public at no cost. Workshop opportunities include:
