Spring fishery workshop offers current research and information related to the status of the Lake Erie & Detroit River fishery.

Michigan Sea Grant and Michigan State University Extension, in partnership with the Huron Valley Sportfishing Club, Department of Natural Resources Fisheries Division, Michigan Office of the Great Lakes, University of Michigan, and NOAA Center of Excellence for Great Lakes and Human Health will be hosting an evening regional workshop.

The workshop is open to the public, and will provide valuable information for anglers, charter captains, resource professionals, and other community members interested in attending, including:

- Status of Lake Erie/Detroit River fish populations
- Angler catch data
- Fisheries management activities
- Lake Erie Critical Issues
- Walleye Tagging Project
- Harmful Algal Blooms, and
- Mudpuppy Research Project

You are invited to participate!

Open to the public at no cost

Date: Thursday, April 16
Time: 6:00 — 9:00 p.m.
Location: American Legion Post #200
11800 Michael Street
Taylor, MI 48180
